

# MERITOR® WYAKIN WARRIOR PROGRAM.

**MERITOR®**

*Battle Tested. Business Ready.*

# THEY WORE THE BOOTS TO KEEP OUR COUNTRY SAFE. OUR SHOES CAN HELP THEM SECURE THEIR FUTURE.

*At Meritor, we appreciate the service and the sacrifices of our military veterans. That's why Meritor has made a heartfelt commitment to contribute 1.5 percent of every reman brake shoe sold to our independent warehouse distributors to the Wyakin Warrior Foundation® – up to \$50,000.*

*Wyakin is an outstanding nonprofit organization dedicated to helping severely wounded veterans train for the futures they so richly deserve. We truly believe that it is an outstanding program that we can all support without reservation.*

## **The Wyakin Warrior Foundation Mission**

“Enabling severely wounded and injured veterans to help them achieve personal and professional success as business and community leaders.”

The foundation is national in scope, but small enough that our help will make a difference. Plus, it is aligned with the trucking industry on the aftermarket side through both the Heavy Duty Aftermarket Week (HDAW) and Service Specialists Association (SSA) organizations that Meritor helps lead. It's a perfect fit.

The impressive Wyakin Warrior Foundation comprehensive training package was designed for wounded veterans who have the interest and motivation to contribute as leaders, but lack the needed education and training. It includes:

- A multilayered mentoring program (up to five mentors per Wyakin Warrior)
- Professional development – monthly seminars given by leaders in business, government and other professional fields

- Financial support (complementing the GI Bill or vocational rehabilitation) for up to five years
- Community service projects – opportunities to demonstrate the ability to become servant leaders and role models
- Robust networking designed to facilitate job placement
- Wyakin Warrior for Life – a proactive annual follow-up to monitor a member's physical, emotional and professional status

## **Like Meritor® Aftermarket, the Wyakin Warrior Foundation is an idea that drives results.**

Now, when you buy one of our Meritor reman brake shoes, you're also helping someone who has worn the boots.
