INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Wyakin Warrior Foundation Inc.
Boise, Idaho

Report on Financial Statements

We have audited the accompanying financial statements of Wyakin Warrior Foundation Inc. (a nonprofit Foundation), which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wyakin Warrior Foundation Inc. as of December 31, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Wyakin Warrior Foundation Inc.'s, 2017 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated March 19, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2017, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 19, 2019, on our consideration of Wyakin Warrior Foundation Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Wyakin Warrior Foundation Inc.'s internal control over financial reporting and compliance.

WYAKIN WARRIOR FOUNDATION INC

NOTES TO FINANCIAL STATEMENTS

Note A – Summary of Significant Accounting Policies

Nature of Foundation

Wyakin Warrior Foundation Inc. (the Foundation) is organized and operated as a non-profit corporation in the State of Idaho. Wyakin Warrior Foundation Inc. was created in 2010 to enable severely wounded and injured veterans to achieve personal and professional success as business and community leaders. Although located in Idaho, the Foundation accepts severely wounded, injured and ill veterans from all parts of the country.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

The Foundation reports net assets and revenues, expenses, gains and losses are classified according to two classes of net assets: with donor restrictions and without donor restrictions. Net assets without donor restrictions are available for use at the discretion of the Board of Directors and/or management for general operating purposes. Net asset with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions.

Accounting Pronouncements Adopted

For the year ended December 31, 2018, the Foundation adopted Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities*. This guidance is intended to improve the net asset classification requirements and the information presented in the financial statements and notes about a not-for-profit entity's liquidity, financial performance and cash flows. Main provisions of this guidance include: presentation of two classes of net assets versus the previously required three; recognition of capital gifts for construction as a net asset without donor restrictions when the associated long-lived asset is placed in service; and recognition of underwater endowment funds as a reduction in net assets with donor restrictions. This guidance also enhances disclosures for board designated amounts, composition of net assets without donor restrictions, liquidity and expenses by both their natural and functional classification.

Implementation of the new standard did not require reclassification or restatement of any opening balances related to the prior period. Net assets presented as temporary or permanently restricted assets are now reported as net assets with donor restrictions. Net assets reported as unrestricted are now reported as net assets without donor restrictions.

WYAKIN WARRIOR FOUNDATION INC

NOTES TO FINANCIAL STATEMENTS

Note A – Summary of Significant Accounting Policies (Continued)

Use of Estimates

The Foundation uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Foundation considers its short-term, highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Concentration of Credit Risk

Financial instruments that potentially subject the Foundation to significant concentrations of credit risk consist of cash and temporary cash investments. Accounts at financial institutions are insured by the Federal Deposit Insurance Corporation for up to \$250,000 per institution. At December 31, 2018 and 2017, all of the Foundation's balances were insured by the FDIC.

Grant Revenues and Receivables

All grants are recognized as income when the grantor agency agrees to provide the funds to the Foundation. All other accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. Receivable balances are non-interest bearing. Management believes all receivables are fully collectible and no allowance is deemed necessary for the years ended December 31, 2018 and 2017.

Property and Equipment

Property and equipment is stated at cost, or, if donated, at the estimated fair market value at the date of donation. All equipment with a fair market value in excess of \$1,000 and a useful life of more than one year is capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which range from three to seven years.

WYAKIN WARRIOR FOUNDATION INC

NOTES TO FINANCIAL STATEMENTS

Note A – Summary of Significant Accounting Policies (Continued)

Fair Value

The Foundation uses fair value for reporting financial assets and liabilities. A hierarchy for reporting the reliability of input measurements is used to assess fair value for all assets and liabilities. Fair value is defined as the selling price that would be received for an asset, or paid to transfer a liability, in the principal or most advantageous market on the measurement date. The hierarchy established prioritizes fair value measurements based on the types of inputs used in the valuation technique. Certain financial instruments are carried at cost on the balance sheet, which approximates fair value due to their short term, highly liquid nature.

Contributed Services

Donated services are reported as contributions when the services (a) create or enhance nonfinancial assets or (b) would be purchased if they had not been provided by contribution, require specialized skills and are provided by individuals possessing those skills. The Foundation did not receive any donated services for the years ended December 31, 2018 and 2017. Donated services consist primarily of rent and professional services.

Contributions

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for specific purposes are reported as contributions with donor restrictions that increases that net asset class. When donor restrictions expire, that is, when a time restriction ends and/or a purpose restriction is fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restriction.

In-kind Contributions

The Foundation receives in-kind contributions consisting of physical goods. In-kind contributions are recognized as revenue when received and as expenditures when the resources are consumed. There were no in-kind contributions of physical goods for the years ended December 31, 2018 and 2017.

Compensated Absences

The Foundation's regular full-time employees accrue paid time off (PTO) during the year based on the length of employment. Regular part-time employees accrue PTO on a pro-rata basis. On December 31 of each calendar year any unused PTO days up to a maximum of 80 hours may be carried forward to the following calendar year. Employees can accrue up to 240 hours of PTO at any given time.

WYAKIN WARRIOR FOUNDATION INC

NOTES TO FINANCIAL STATEMENTS

Note A – Summary of Significant Accounting Policies (Continued)

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and in the statement of functional expenses. Certain categories of expenses are attributable to more than one program or supporting function and are allocated on a reasonable basis that is consistently applied. The expenses that are allocated are salaries and benefits, contract services, occupancy costs, office supplies, travel costs, and depreciation which are allocated on the basis of estimates of time and effort. General and administration expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Foundation.

Income Taxes

The Foundation is a not-for-profit Foundation that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and comparable state law. Accordingly, no provision for income taxes is made in the financial statements.

Uncertain Tax Positions

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Foundation may recognize tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for fiscal years 2018 and 2017.

The Foundation files Form 990 in the U.S. federal jurisdiction. The Foundation is generally no longer subject to examination by the Internal Revenue Service for years before 2015.

Subsequent Events

The Foundation has evaluated subsequent events through March 19, 2019, which is the date the financial statements were available to be issued.

WYAKIN WARRIOR FOUNDATION INC
NOTES TO FINANCIAL STATEMENTS

Note B – Liquidity and Availability of Resources

The Foundation’s financial assets available within one year of the statement of financial position date for general expenditures are as follows:

Cash and cash equivalents	\$ 318,377
Security deposit	<u>3,500</u>
Total financial assets available within one year	321,877

Less amounts unavailable for general expenditures within one year, due to:

Restricted by donors with purpose restrictions	<u>(4,834)</u>
--	----------------

Total financial assets available within one year after restriction	<u>\$ 317,043</u>
--	-------------------

As part of the Foundation’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. At December 31, 2018, all net assets with donor restrictions are available for specific program expenditures expected in the upcoming year.

Note C – Net Assets

The detail of the Foundation’s net asset categories at December 31, is as follows:

	<u>2018</u>	<u>2017</u>
Without donor restrictions:		
Undesignated	\$ 305,037	\$ 251,609
With donor restrictions:		
Restricted for warrior stipends	<u>4,834</u>	<u>9,075</u>
Total net assets	<u>\$ 309,871</u>	<u>\$ 260,684</u>

WYAKIN WARRIOR FOUNDATION INC
NOTES TO FINANCIAL STATEMENTS

Note D – Furniture and Equipment

Furniture and equipment consists of the following at December 31:

	<u>2018</u>	<u>2017</u>
Furniture, fixtures and equipment	\$ 33,984	\$ 33,984
Less accumulated depreciation	<u>(32,035)</u>	<u>(31,625)</u>
	<u>\$ 1,949</u>	<u>\$ 2,359</u>

Note E – Operating Leases

The Foundation leases office space under a noncancelable lease for a term of 38 months expiring in 2019 which is renewable upon expiration for an additional 3 years. The lease is set to expire December 31, 2019. Total rent expense for 2018 and 2017 was \$40,550 and \$43,045, respectively. Future minimum lease payments due through December 31, 2019 are \$43,875

FEDERAL REPORTS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of
Wyakin Warrior Foundation Inc.
Boise, Idaho

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Wyakin Warrior Foundation Inc. (a nonprofit Foundation), which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, cash flows, and functional expenses for the year ended, and the related notes to the financial statements, and have issued our report thereon dated March 19, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Wyakin Warrior Foundation Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Wyakin Warrior Foundation Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Wyakin Warrior Foundation Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
